## PERSONAL INFO

*I am always energetic and eager to learn new skills, with having experience working as part of a team and individually.*

*A key strength is communication : building strong relationship with people in order to deliver the best results.*

*Even though I take my work seriously, I do have a good sense of humour.*

## LEARNING PATH

*I am sophomore student at Inha University in Tashkent. In freshman year I have studied foundation subjects.*

*In my spare time, I also learnt the fundamentals of GO – which is on demand programming language in recent years.*

*Now, I am learning subjects like DS (Data Structures) and APIJ (Application Programming in Java) which is connected to the programming.*

*I recently decided to try myself in the field of Web programming. I have learnt HTML, CSS, and now I can make not complicated, simple websites. Learning Javascript is in process.*

## EDUCATION

### INHA UNIVERSITY IN TASHKENT | UNDERGRADUATE

*I am a SOCIE (School of Computer and Information Engineering) student at Inha University in Tashkent.*
